Re: Referrals for positions

Atlanta TelePsychiatry LLC is seeking full-time Office Marketing Specialist (OO23) in our Augusta, GA office to be responsible for the following job duties:

Collect and analyze data on customer demographics, preferences, needs, and buying habits to identify potential markets and factors affecting product demand. Conduct research on consumer opinions and marketing strategies, collaborating with marketing professionals, statisticians, pollsters, and other professionals. Measure and assess customer and employee satisfaction. Measure the effectiveness of marketing, advertising, and communications programs and strategies. Seek and provide information to help companies determine their position in the marketplace. Forecast and track marketing and sales trends, analyzing collected data. Gather data on competitors and analyze their prices, sales, and method of marketing and distribution. Attend staff conferences to provide management with information and proposals concerning the promotion, distribution, design, and pricing of company products or services.

The candidate(s) shall meet the following requirements:

Must possess five years of marketing management experience understanding market trends, advising companies of market demands, and creating and implementing marketing strategies. Proficiency with SEO optimization, Google AdWords Marketing, and experience with online banner marketing..

Should you know someone with the above qualifications, please have them forward a resume to us. Be sure to have the person indicate in the cover letter that you are the one who contacted them about this opportunity. You will be rewarded an immediate bonus of \$50 for each qualified referral. Thank you for your referral!
